Protestant: Denouncing the Usurpations of the Papacy Including:

Spiritual and Temporal Powers of the Pope;

Papal Infallibility, Deification of the Pope (Bull: *Unam Sanctam*);

The Society of Jesus, i.e., **the Company of Jesus**, presently ruling the world through the Papacy, including the Pope of its making, the Roman Hierarchy, its several Orders, both Military and Religious of the Roman Catholic Institution; Occult Freemasonry; the Illuminati, Masonic Jewish Zionists/Sabbatians, Masonic Moslems (Sunni, Shiite and Wahhabi), along with a host of subordinate Egyptian, Gnostic, Hermetic Secret Societies having penetrated all Church-state religions, encompassing one grand, international, Satanic conspiracy to culminate in a world government to be ruled by **Satan** through a final and last Pope, murdered, risen from the dead and indwelt by **Satan**, ruling the world from the future international city of **Jerusalem** within the **Third Hebrew Temple**, yet to be built after the Pope's present Crusade against the Islamic peoples, as well as against the historic White British and American Protestant peoples once having composed the Jesuit Society's greatest enemy—White Anglo-Saxon Protestant Western Civilization—in accordance with the Company's Counter Reformation *Council of Trent*; its bloody Fourth Vow known in history as *the Jesuit Oath*; its *Monita Secreta*

(*Secret Instructions of the Jesuits*); its *Syllabus of Errors* (Eighty Errors of Modern Civilization “reprobated, forbidden and condemned”) incorporated into the Jesuit-led, Ultramontane, openly fascist and anti-communist First Vatican Council of 1870; and its *The Protocols of the Learned Elders of Zion*, authored by the Order’s “Fathers of the Faith,” composing the **Community of Sion** in Valais, Switzerland, prior to the Dreyfus Affair. An attempt was made by the Order, however, to prove *The Protocols* to be “a forgery” of the Russian Tzarist Secret Police (the Okhrana—then in the hands of the Jesuit General through his creature, the Jew-hating absolutist, Tzar Alexander III). That attempt, in covering-up the Order’s authorship of *The Protocols*, became the life’s work of Belgian Jesuit Pierre Charles according to a French Socialist-Communist and Jesuit Temporal Coadjutor, Jean Lacouture, as revealed in his *Jesuits: A Multibiography*.

Dispensationalist; Distinguishing Between:

The Body of Christ (the true New Testament Church)

The Nation of Israel (the Race of Hebrew/Israelitic/Jewish People)

The Gentile Nations: Composed of the Descendants of

Japheth (the Whites), and their geographic nations

Shem (the Orientals) and their geographic nations

Ham (the Blacks) and their geographic nations

Biblical, Non-Hateful, Racial and Ethnic Separatist of the Nations:

Advocating the Separation of the Nations; each nation being composed of a distinct race, language and culture of a people dwelling within a specific geographic area on any given continent; each being a self governing, autonomous entity, enjoying the fruit of their own labors utilizing their own natural resources and protecting their domestic manufacturers; and armed with a nationalistic military set for the defense of their own distinct nation and civilization.

Biblical, Non-Hateful, Racial and Ethnic Separatist from the Jews:

Advocating the Racial Separation of Gentile Nations from **the LORD’s** beloved Hebrew/Jewish/Israelitic people, who, racially, are yet to inherit the promises given to the fathers, Abraham, Isaac and Jacob in addition to the promise given to Israel’s Prophet and King, David, all of whom will be resurrected to enjoy the fulfillment of their specific promises via the power of **the Lord Jesus Christ**, He ruling the world from **Jerusalem**, “*the holy city*,” after He has

smashed the Antichrist's Jew-hating nations at His Second Coming foretold by the Old Testament as explained by the New Testament, **The AV1611** for English-speaking peoples. We refuse to persecute or amalgamate with this special racial people—"the holy people," lest we pollute their seed, while they await the fulfillment of their promises and we await the fulfillment of our promises.

Advocating the benevolent treatment of Jews within Gentile nations that the blessing of the Abrahamic promise may be extended to those nations by the risen **Son of God** now seated at the right hand of His Father, **the Lord Jesus Christ**, expecting "*his enemies to be made his footstool*" once "*the fullness of the Gentiles*" is complete.

Advocating the right of the Hebrew/Jewish/Israelitic people, "*the holy seed*," to the land of ancient Israel, which land promise given to Abram (**Genesis 12:1-3**), and his physical posterity through Isaac and Jacob, was in fact unilateral and thus unconditional, solely dependent upon God for its ultimate fulfillment. These promises to the fathers, Christ came to confirm (**Romans 15:8**). The right of a remnant of the Hebrew people to occupy their land is not premised upon national repentance, evidenced by their presence in the land being a necessity for the prophetic Scriptures to be fulfilled (**Daniel 9:27; Ezekiel 38:8; Zechariah 12:8-10; 14:1-4; Matthew 24:15**). It is for this reason the Arab Moslems within Israel have no right whatsoever to the land promised to Abraham, and therefore should be peaceably removed, repatriated to neighboring Arab states and given monies, houses and lands to begin anew. This in turn would eliminate the Jesuit Order's generational agitation between Arabs and Jews, the Society's high-level Freemasons controlling both factions, ending the continued diplomacy benefiting the Vatican.

My study of the Jesuit Order was prompted by three great injustices:

1. The Assassination of **President John F. Kennedy**;
2. The Assassination of **President Abraham Lincoln**;
3. The Concerted Attack upon the Bible of the English Reformation, **The Authorized Version of 1611** translated from the Hebrew Masoretic Text and the Greek Received Text, all of which Reformation Bibles are condemned by the Order's Counter Reformation, "heretic and liberal" accursing, Council of Trent (1545-1563).

I have devoted over twenty-five years, off and on, to this study; authored *Vatican Assassins: "Wounded In The House Of My Friends,"* and am finalizing the third edition, doubled in length from the first edition, its intent being to awaken individuals to the occult dictatorship of the Society within their own nations via "trusted third parties," and the assassination and murder of their own Roman Catholic people—including **John F. Kennedy**—when "the ends justify the means." This Great Awakening, prayerfully to be brought about by the preaching of the true New Testament Gospel of the grace of God in Christ, in conjunction with the exposure of the devil's unfruitful works of darkness, will hopefully lead **the LORD's** obedient elect people (as well as all honest and patriotic men within all nations), to issue the clarion call for the expulsion of **the Society of Jesus** from their national borders. These expulsions will hopefully then lead to the subsequent Suppression and Extinction of the Company through a formal **Bull** of the Pope, confiscating all its lands and property (including the Society's stupendous gold horde—stored in the central banks of the world—and international oil monopoly), this marvelous **Bull of Suppression** to be issued in the near future—by the grace of the living, sovereign God! As was done in 1773 by the virtuous Pope Clement XIV, so may it be accomplished again by Pope Benedict XVI, whose unfortunate ties to the Bavarian Jesuits—Hitler's SS henchmen of World War II—may be broken, his life preserved and his **Bull of Suppression and Extinction** promulgated throughout the earth for the benefit and blessing of all mankind.

My pastor, N. C. Turner, and I host a weekly broadcast, **The Politics of Religion**. It may be heard every Saturday (Sabbath) at 3:00pm EST on short wave, 7.415, WBCQ, www.christianmediadaily.com, link CMRI.TV; Satellite Galaxy 11, Transponder 14, 7.385.

I am available for interviews and public speaking engagements.
