1 Welcome & Introduction

Dear Truth-Seeking Friend,

Congratulations on your decision to learn more about the secrets of truly fulfilled living (and yes, they are secrets – we'll show you later how these strategies have been specifically hidden from us). Very few people accept the invitation to join this elite group.

To be a member of Freedom Technology is something very special. Together, we will build a bridge of trust between us. You will come to trust us, and to believe that the information we will be giving you has 'the ring of truth'. We will come to trust you not to reveal the teachings we share to just anyone. There are dark and sinister forces, who for hundreds of years have purposely suppressed the truth, for their own misguided intentions. If word of Freedom Technology were to make it's way into the wrong hands, the site may be shut down and a lifetime's work will have been for nothing. **Please be very careful who you share this information with.** Instead of forwarding this email, rather encourage your friends and family to register just as you did at www.FreedomTechnology.org.

Members of Freedom Technology share one thing in common. They all desire to become **WEALTHY, HEALTHY, POWERFUL** and **FREE**. It came as no surprise to us that not everyone wants to attain the enhanced standard of living we teach. Not all people have an interest in these topics, and it might not be right for you. We believe that the time may simply not be right for some to understand and accept what we teach.

You certainly won't agree with everything we teach. That's because of a lifetime of conditioning by your parents, your peers, the media, advertising and maybe your religion. Many of those beliefs are extremely limiting and are holding you back from reaching the levels we know are easily attainable, without special skills.

So, embrace a little discomfort - it's called growing pains. But if it all becomes too much for you, simply stop the Seminar by unsubscribing. While we will be sad to see you go, we know that at some point in the future you will again become curious about what we teach. We will then welcome you back into the Freedom Technology Family with open arms.

Right, since you're still with us, let's tell you a little more about Freedom Technology.

1.1 Who or What is Freedom Technology?

The members of Freedom Technology make up a group of people under our personal guidance. It is a 'secret' group in the following sense:

1. The members never meet each other.
2. Details of members are kept strictly confidential, and no-one outside of the Directors of Freedom Technology has access to these details.
3. 'Normal' people do not know of the existence of this group.
4. The teaching materials are kept segregated into 'levels of understanding', or grades. This means that information is only revealed to you a bit at a time. We time the delivery of each new teaching so that your mind can come to terms with the previous lesson before being exposed to new teachings.
5. **All members agree not to pass the teaching materials directly on to anyone else**, although we encourage you to invite your friends and family to register for the free Email Seminar, just as you did.

1.2 Copyright

We've found that some members question why the Seminar emails can't be forwarded to friends. Here's the reason: **People are NOT equal. They never have been, and they never will be. Any attempts to make them equal are doomed to failure. Some people are superior to others and they always have been. Most people are like sheep and they always will be. This is just a plain, simple fact of life. We are not sitting in judgment here, just stating the obvious.**

Not everyone can become healthy, wealthy, powerful and free.

And Freedom Technology doesn't want to waste time on those who will never attain the level of success you will, if you see this Seminar through.

The letter you read before joining this Seminar is specifically designed to **weed out those who don't stand a chance** of understanding and appreciating the subjects we will discuss openly and frankly. By joining the Seminar you proved yourself to have an open mind and be willing to learn and grow. By forwarding this or subsequent emails to friends, you're bypassing the 'entrance exam' on their behalf. So you'll never know whether they have the desire or ability to expand their mind. You're wasting your time forwarding it, and we'll be wasting our time when they email us with queries. Time we should be spending on you, and developing new material.

So don't forward your Freedom Technology emails to the sheep! Send them instead to www.FreedomTechnology.org.

There, you see! We've shocked you a little already! But remember, this is only your first level of instruction. As you progress through the Seminar, we intend to shock you a great deal more! This is essential if we are to help you part the veils of illusion which have prevented you from achieving your full potential up until now.

So, you see, Freedom Technology is by its very nature elitist. It is only for the

'chosen few'. People like YOU who have set foot upon the path of power, freedom, health and wealth. You have chosen that path, and you are to be congratulated!

You may have some doubts at this stage about what this is all about. Don't worry. These doubts are normal at this early stage. It will take time for you to understand the various illusions which block the pathway to power and freedom. A lot of our instruction will be concerned with identifying those blocks, helping you to understand them, and finally blowing them away so that you can reach undreamed of levels of health, wealth and power.

Before we continue, let's discuss "Paradigms".

2 The Power of a Paradigm

Before we get into the meat of Freedom Technology, it's important that we understand what a "paradigm" is, and how to make a "paradigm shift". Don't worry; it's not as complicated as it may sound.

You may be familiar with the picture on the following page, in which you can see both a young woman and an old woman, in the same picture. If you've seen this picture before, please do read on - there's an important lesson to be applied.

If you haven't seen it before, take a few moments to see if you can identify an elegant woman in her early 20's, and if you focus differently, you'll see an old hag.

The picture is over the page....

It's important that you can clearly see both women before scrolling further. If you can't see both women, go to the end of this document for an explanation.

Most people think this is just a cool party trick. But here's the real value of the picture.

An exercise was conducted many years ago at Harvard Business School. The instructor was using it to demonstrate clearly that two people can see the same thing, disagree, and yet both be right. It's not logical, it's psychological.

The instructor handed a set of cards to one half of the class. On it was the following sketch of a young woman.

The other half of the class received a card with the following sketch of an old woman.

The class was told to concentrate on their cards for 10 seconds, after which the complete picture of both old and young women together was projected onto a screen.

Without exception, those in the class who had seen the picture of the young woman first, could not see the old lady. And vice versa. Only after a considerable period of debate could each group convince the other that there was indeed a picture of 'the other woman'.

You see, each person in that class could only see what they had been **conditioned** to see in the initial 10-second period of time.

2.1 Conditioning

So, why is the result of this exercise so important to us? Well, it shows how powerfully **conditioning** affects our **perceptions**, or our paradigms. If ten seconds can have that kind of impact on how we see things, what about the conditioning of a lifetime? The influences in our lives - family, school, church, work environment,

friends, associates, and current social conditioning - all have made their silent unconscious impact on us and help shape our frame of reference, our paradigms, the way we see life.

In essence, we've been conditioned to see only the old hag in our general lives. The beauty of the young woman has been kept purposely hidden from us. The Freedom Technology Email Seminar will help you to find the young woman hidden in the composite picture of life, so that you can start living a truly Fulfilled Life.

2.2 The "Aha!" Experience

Earlier we mentioned a "paradigm shift". Very simply, it's what we might call the "Aha!" experience, when someone finally sees the old woman when previously all they could see was a slim, attractive young girl. The stronger the initial perception is, the more powerful the "Aha!" experience is. It's as though a light were suddenly turned on inside.

And that is what Freedom Technology is all about. We're going to show you how many of our **perceptions** are incorrect, because of **conditioning** we've all unknowingly been subject to. You're going to experience one "Aha!" experience after another, as we guide you to a fuller understanding of how to live a truly fulfilling life, free of all the previously held limiting beliefs we've been conditioned to accept as truth.

Now, prepare yourself for the next shock!

2.3 A Centuries Old Conspiracy

It is far too early in this Seminar to go into all the historical studies which have proven what we are about to say. You can either take our word for it or do the research yourself. (A good place to start is www.ThreeWorldWars.com). The fact of the matter is...

...For more than 300 years there has existed a secret and well coordinated plan to change society's **perceptions by conditioning** all of us to believe what THEY want us to believe. THEY have only ever shown us the picture of the old hag. As a result, most of us can't see the stunningly beautiful young girl which is right in front of us, **yet invisible**. All because of the extent of our conditioning, which has been passed on for the past 4 or more generations.

What this means is that all education, all religions, all media, all forms of government, all medical systems have been purposely twisted to achieve the **conditioning** THEY want.

All of the beliefs you currently hold dear have been influenced by people who do not have your best interests at heart.

- THEY want mega-profits for themselves.
- THEY want to enslave us.
- THEY want us to be unhealthy and FAT so that we die at an early age.
- THEY don't want us to think for ourselves.
- THEY want us to spend hours in front of their propaganda machines: TV.
- THEY don't want us to live fulfilled lives.
- THEY want us to remain poor.
- THEY want us to become miserable failures in the universal scheme of things.

And do you know what?

Their dastardly plan is working!

That explains why the world is in the state it's in. And it's going to get worse, far worse. Sadly, there's not much we can do about it. The plan is so far advanced, and so well controlled that there is nothing we can do to stop it. Resistance is futile.

2.4 So What Do We Do?

What we CAN do, though, is rectify our **perceptions**. Remove the limiting beliefs which hold us back from achieving all our Creator wanted us to achieve. But it won't be easy. Changing a lifetime of perceptions won't happen overnight. It will take work. It will take a willingness to believe that maybe, just maybe, what we firmly believe in right now could well be based on incorrect perceptions. And a willingness to have those perceptions corrected. It will be challenging, but the rewards will far outweigh the challenge.

So, are you ready for the challenge? Ready to step up to the mark and change your life to one that you just cannot even comprehend right now? You've taken the first step by registering for this Seminar. You may well have been shocked by some of the things we've said, and we have plenty more shocks in store for you.

Side Note: A small percentage of readers are NOT shocked by anything they've read to date. If you're one of them, here's an explanation.

One of the advantages of the Internet is the fact that we can make this information available to large numbers of people at low distribution cost (as opposed to printing books and physically mailing manuals).

The disadvantage is that we know nothing about you. If we did we could dive right in at the appropriate depth and provide new information which WILL shock you. We must lay the groundwork and foundations first.

Please understand this, and bear with us as we bring other readers up to your level of understanding. By the time we've completed the basics of each of the 5 Essential Pillars of Fulfilled Living, we'll be able to move ahead into the really challenging and exciting material. We promised we wouldn't waste your time, and we intend standing by that promise.

We strongly suggest that you put this material to one side for a few days, and then read it through again. It is not possible to change your fundamental world-view by one quick reading. You must study this material carefully, ideally before you receive the next email from us.

Next week we're going to discuss the **Immutable Laws of Nature**. (Immutable means Unchanging). Gravity is just such a law. It never changes, and it affects us whether we believe in it or not. We'll show you 15 other Laws of Nature, and we'll show you how these same 15 Laws are being violated in our daily lives, because our **perceptions** have taught us to believe something contrary.

It's going to be quite a ride! Hold on to your hats, the fun has just started!

Look out for next week's email entitled **FT Seminar 02 - The Immutable Laws of Nature**. You're going to be blown away!

To your new understanding of **perceptions** and **conditioning**,
